C. Oblike povedi

TRDILNA OBLIKA:

I **will go** to the dentist tomorrow.

You **will write** a letter to your friends next week.

He / She **will make** pizza tomorrow afternoon.

It **will rain** next Saturday.

We **will have** a great time at the weekend.

They **will be** at home next Friday.

Jaz **bom šel** k zobozdravniku....

Ti **boš napisal** pismo....

On / Ona **bo naredil/a** pico....

Deževalo bo naslednjo soboto.

Mi **se bomo dobro imeli**...

Oni **bodo** doma naslednji petek.

Natančno si oglej in preberi zgornje povedi. Vidiš, da vsaka trdilna poved vsebuje **WILL**, poleg pa stoji **GLAGOL V NEDOLOČNIKU** oz. glagol v svoji osnovni obliki. Torej, Will future tense – trdilna oblika se tvori:

OSEBEK (ali os. zaimek) + WILL + GLAGOL (NEDOLOČNIK)

'Dolga' oblika se da tudi skrajšati:

You **will do** your homework tomorrow. – **You'll do** your homework tomorrow.

He **will brush** his teeth soon. – **He'll brush** his teeth soon.

It **will rain** on Sunday. – **It'll rain** on Sunday.

I **will listen** to your speech tomorrow. – **I'll listen** to your speech tomorrow.

Pomembno:

Uporaba glagola BE (biti) v prihodnjem času:

I **will be** at school next June.

Jaz **BOM** v šoli...

She **will be** ill next week.

Ona **BO** bolna...

We **will be** at home until Monday.

Mi **BOMO** doma...

NIKALNA OBLIKA

Povedi v tem času zanikamo tako, da v poved zapišemo **WILL NOT + GLAGOL** (nedoločnik) oz. to zapišemo na kratek način: **WON'T + GLAGOL** (nedoločnik):

WILL NOT = WON'T

I won't go to the cinema tomorrow.
She won't eat pizza next Friday.
We won't listen to music on Saturday.
It won't rain tomorrow.

Jaz ne bom šel v kino...
Ona ne bo jedla pice....
Mi ne bomo poslušali glasbe...
Ne bo deževalo.....
