

Tuesday, 14th April

Welcome back to Week 5 of home schooling, I hope you had a lovely Easter with your families.

Today we will go into the future and think about the technological development that will happen.

Danes gremo v prihodnost, brali in predvidevali bomo o tehnološkem razvoju v prihodnosti, se naučili nekaj novih besed in še vedno hkrati vadili prihodnjik.

1. Najprej pa preverimo rešitve nalog od prejšnjic, ko ste morali v DZ na str. 44 rešiti naloge 1, 2, 3:

|----------------------------|------------------------|-------------------------|----------------|
| 1. Naloga: 2 won't be late | 3 'll visit you again | 4 'll send you an email | |
| 5 won't hurt | 6 'll come in a minute | | |
| 2. Naloga: 2 might snow | 3 might not have | 4 might not go | 5 might belong |
| 6 might not agree | | | |
| 3. Naloga: 2 won't go | 3 might not have | 4 'll be (very) good | 5 might get |

2. V učbeniku na strani 62, poslušaj in preberi besedilo *Technologies of the future*, posnetek: <https://www.loom.com/share/cd3e60a865a447719445ef5c6cb568a5>
