Let's first check the answers from the previous lesson – *A basketball star*- preverimo najprej odgovore na vprašanja iz prejšnje ure:

Task A: 1. No, he isn't. (He's at high school.) 2. Because he's very good at basketball. 3. Yes, he did. 4. Both. 5. No, he doesn't. 6. No, they haven't. 7. Because he wants his family to have a bigger and better apartment. 8. No, he doesn't.

POMEMBNO: Kdor mi še ni poslal **govornega nastopa**, naj mi ga pošlje do ponedeljka, **11. maja**.

Danes nadaljujemo z novo lekcijo, kjer bomo ponovili in spoznali besedišče v povezavi s hrano v Veliki Britaniji, veliko tega besedišča že poznate, nekaj besed pa bo novih.

1. Za ogrevanje si oglej video in reši kviz v videu: <https://en.islcollective.com/video-lessons/britain-food>
2. **Učbenik stran 88, naloga 1:** Oglej si sličice in poveži besede v okvirju z ustrezno sličico.
3. **Na strani 133** v učbeniku imaš dodatne besede povezane s hrano, oglej si jih (izgovorjavo vseh besed lahko slišiš v interaktivnem učbeniku, na strani iRokus).
