Danes gremo pa v vesolje, bolj natančno na mednarodno vesoljsko postajo – We're heading to the International Space Station today. Najprej si boste ogledali video, nato prebrali besedilo in na koncu preverili razumevanje besedila.

1. Na povezavi si najprej oglej video – Have a look at what everyday life is like on the International Space Station: <https://youtu.be/LkvsWBfmgw>
2. Učbenik str. 65, Journey into space – preberi besedilo, izpiši neznane besede s pomočjo slovarja (<https://sl.pons.com/prevod>)
3. Task 1: Odloči se ali so stavki pravilni ali napačni in napačne popravi!

Do četrтка mi pošlji seznam besed, ki si jih izpisal in prevedel.
