

Monday, 4th May

Welcome back! I hope you had some fun during the holidays and got some rest.

Let's start the week with something fun and not too difficult!

Look at the short film called *Something Fishy*/ na povezavi si oglej kratek film z naslovom *Something Fishy* (v prenesenem pomenu, to pomeni tudi »nekaj čudnega«):

<https://youtu.be/iiVkdMLh81w>

Ko končas z ogledom filma, pojdi na Padlet in odgovori na vsaj 3 vprašanja – sami si izberete katera (če želite, lahko tudi na vse): <https://padlet.com/majamedja/q5uy9lhny150mkum> - ne pozabi se podpisati pri odgovoru (samo ime).

Nato pa še postavi povedi spodaj v pravilni vrstni red- prepisi črke in nato dodaj število, tako da sestaviš zgodbo (povedi ti ni treba prepisati v zvezek samo črke in številke).

- a) Finally, she swims to the exit as fast as she can and escapes just in time.
- b) Suddenly, an enormous shark swims towards her!
- c) Then, she looks inside the machine and sees her socks swimming around.
- d) Inside, she sees lots of different animals. She sees fish, an octopus and turtles.
- e) After that, she climbs inside.
- f) Next, she follows a small, yellow fish into the dark, blue water.
- g) She notices something strange inside the washing machine!
- h) In the beginning, the young lady sits in the launderette.

Danes mi ni potrebno ničesar pošiljati, vaše rešitve na Padletu bom videla, pravilni vrstni red zgodbe pa izveste v naslednji uri in boste sami pregledali.

*Have a wonderful day,
teacher Maja*
