

Wednesday, 22nd April

Good morning! We repeated everything about the future tense yesterday and you copied the mindmap. Also you did some exercises on the future tense. I hope it went well!

Včeraj ste ponovili vse o časih za prihodnost, prepisali miselni vzorec in naredili vaje- če česa ne razumete, mi sporočite, da pojasnim.

1. Let's check the solutions from yesterday / Preglejmo rešitve nalog od včeraj:

Naloga 1.1.: 1. I'm starting, 2. I'm going to, 3. I'll, 4. we'll, 5. He isn't working, 6. I'll try, 7. I'm going to phone

Naloga 1.2.: 1. won't like, 2. 're playing, 3. 'll phone, 4. 'm going to do, 5. 'll write

Naloga 3.1: 2. I might discover the secrets of the universe., 3. I might not pass / I might fail my exams., 4. My dreams might not come true., 5. I might not be successful.

Danes pa bomo nadaljevali z utrjevanjem prvega pogojnika. Saj se še spomnite, čisto enostavne formule:

pogojni stavek

IF + PRESENT SIMPLE

glavni stavek

WILL FUTURE

1. V učbeniku na strani 67 si oglej in preberi **poglavje 3 – The first conditional**, nato reši še naloge spodaj (6 povedi).
2. Reši še **nalogo 3.2.** (stavki s probably).
3. OPTIONAL: Če boš želel še nekaj dodatne vaje (med počitnicami ali sicer), je tukaj še nekaj nalog:

- Because the 23rd April is the birth date of one of the greatest writers of all times, **William Shakespeare**, I'm sending you a link to a short video about him:

Branje: [National Geographic](https://www.nationalgeographic.com)- če želite si lahko v elektronski verziji revije preberete članke o Costa Rici, lenivcu, jaguarju, Stephen Hawkingu, Kitajski, in še več...

I wish you a great day and wonderful holidays!
