Kot ste že navajeni, imamo ob koncu modula Coursework besedilo. Ker tokrat nismo v šoli, vam ne bo potrebno pripraviti svojega opisa, vseeno pa boste prebrali opis o tem kako počitnice preživljajo v Veliki Britaniji.

V **učbeniku na strani 99** preberi besedilo o šolskih počitnicah – *On holiday!*

Podčrtaj neznane besede in jih prevedi s pomočjo [slovarja](#).

Razmisli kako bi ti tujcu opisal počitnice v Sloveniji, kdaj jih imamo, kako jih preživljamo, kam ponavadi greste, itd.

*Have a great day,,
