

Monday, 18th May

Welcome to week 9 of schooling from home. I hope you had a great weekend and did something fun.

Last week you read the conversation between the earth and the brain and you looked for sentences that are in Present perfect in that conversation.

Prejšnji teden ste v dialogu med možgani in zemljo poiskali stavke, ki so v času present perfect ter jih podčrtali. Danes si bomo ogledali kako se tvorijo vse oblike v tem času (trdilna, nikalna in vprašalna) in tudi sami boste že sestavili nekaj povedi v tem času.

1. V zvezek zapiši naslov, datum in prepisi besedilo spodaj:

PRESENT PERFECT SIMPLE (PPS)

TVORBA:

Present perfect simple (pps) uporablja pretekli deležnik – to ni nič drugega kot 3. oblika nepravilnih glagolov oziroma glagol+ed (pri pravilnih glagolih).

○ *TRDILNI STAVKI*

I, we, you, they + **HAVE** + **pretekli deležnik** (3. oblika glagola) – I **have finished** my homework.

He, she, it + **HAS** + **pretekli deležnik** (3. oblika glagola) – He **has finished** his homework.

○ *NIKALNI STAVKI* (zanikamo samo pomožni glagol have/ has)

I, we, you, they + **HAVEN'T** + **pretekli deležnik** (3. oblika glagola) – I **haven't finished** my homework.

He, she, it + **HASN'T** + **pretekli deležnik** (3. oblika glagola) – He **hasn't finished** his homework.

○ *VPRAŠALNI STAVKI in KRATKI ODGOVORI* (Have/ has na začetek stavka)

HAVE + I, we, you, they + **pretekli deležnik** (3. obl. glagola) – **Have I finished** my homework? Yes, I **have**.

No, I **haven't**.

HAS + he, she, it + **pretekli deležnik** (3. obl glagola) – **Has he finished** his homework? Yes, he **has**.

No, he **hasn't**.

2. V delovnem zvezku, str. 50 reši nalogi 1 A in B. Rešitev mi ne pošiljaj, jih pregledate jutri.

I wish you a great day,

Teacher Maja
